

## The Boat House – Lake Zurich

### **Restaurant Manager at The Boat House, Lake Zurich**

Restaurant Manager – The Boat House

Campbell Gray Hotels has recently opened a very special boutique hotel on Lake Zurich in Switzerland. "ALEX", a 44-bedroom property includes an exceptional ground floor and lakeside restaurant, The Boat House. The Boat House is a sophisticated and dynamic restaurant and bar with an enviable outdoor dining terrace, offering the freshest mouth-watering dishes to guests, who come to enjoy the panoramic views that stretch for miles.

This is an amazing time to be joining us as The Boat House has proven to be a success from the very first day. We are seeking an experienced Restaurant Manager to lead, motivate and develop our fantastic team and help us take our food and beverage service culture to the next level! We require someone who has a passion for food and hospitality, can work well under the pressures of a busy service and who expects and delivers high standards at all times. Good system knowledge is essential in this role as is previous experience at management level within a similar quality-driven establishment. Hotel experience is a plus.

The Restaurant Manager's role within this new venture is a great opportunity for career driven Management professionals. So, if you are passionate about hospitality, have strong managerial experience and are looking for an exciting new opportunity, we want to hear from you.

Interested and qualified candidates should send a detailed and updated copy of their Curriculum to [oliviergerber@alexlakezurich.com](mailto:oliviergerber@alexlakezurich.com)
